Star the Cupid Preview 4: Monster heart

Star and Marco were walking down to the lockers and everyone greeted Star.

"Morning Star!"

"Oh my gosh! Your dress looks so cute!"

"Good morning Star!"

"Happy Valentine's Day everyone!" she said, she raised her wand and accidentally released a giant heart monster. It growled and started chasing Marco.

Marco screamed and ran in circles, with the monster running for him.

Star quickly blasted the monster and it bursted into chocolate kisses.

"Hey! Chocolate!" one boy yelled.

The kids at the lockers ran to the chocolate pile and started eating the chocolates.

"Thanks Star!" one kid said.

"You're welcome!" she happily replied.

Star smiled and ran off spreading colorful heart-shaped candies everywhere she went.
